

**Background Information for Discussion of “Looking Forward for Biomonitoring California”**  
**[March 2017 SGP Meeting](#)**

*Discussion question* - Given limited resources, what should be the main priorities of Biomonitoring California going forward? Discussants can address the following types of topics, and/or other priorities on which they wish to comment:

- Priority analytes and/or non-targeted screening methods
- Priority geographical regions in California for the Multi-Regional Study<sup>1</sup>
- Priority sensitive populations or impacted communities
- Collaborations to pursue
